

## Request for Expressions of Interest

**Project:** Developing a Utility Management Training Program Curricula Framework for the Water Supply and Wastewater Utility Managers in the Danube Region

**TF No.:** 012722

**Position Title:** International Expert

The Water Supply and Sewerage Association of Albania (SHUKALB) has received financing from the International Association of Water Supply Companies in the Danube River Catchment Area (IAWD), under the Danube Water Program, toward the cost of implementing the project "Developing a Utility Management Training Program Curricula Framework for the Water Supply and Wastewater Utility Managers in the Danube Region".

SHUKALB intends to apply part of the proceeds for the consultant services of an International Expert to help guide the Project Team in developing a utility management training program curricula framework for the water supply and wastewater utility managers in the Danube River Catchment Area. The timeframe for the development of the training program curricula framework is over a period of 5 months. The consultant is expected to start in the beginning of February, 2017 and will complete the assignment by the end of June 2017. More details about the required services are found in the [Terms of Reference document](#).

The Water Supply and Sewerage Association of Albania now invites eligible consultants to indicate their interest in undertaking this assignment. Interested consultants with the required qualifications and work experience must submit an Expression of Interest, along with their detailed CV, to the below contacts.

A consultant will be selected in accordance with the procedures set out in the World Bank's [Guidelines: Selection and Employment of Consultants by World Bank Borrowers](#) (current edition).

Interested consultants may obtain further information at the address below during office hours: *09.00 to 17.00 hours, GMT+1.*

Expressions of interest must be delivered electronically to the e-mail addresses below, and the deadline has been extended to **13 January, 2017**.
