Reforma në Sektorin e Ujit

Vendim i Këshillit të Ministrave mbi Riorganizimin e Operatorëve që ofrojnë Shërbimin e Furnizimit me Ujë të Pijshëm, Grumbullimin, Largimin dhe Trajtimin e Ujërave të Ndodura

REFORMA Qeveria e Shqipërisë ka nisur një reformë totale në fushën e qeverisjes dhe menaxhimit të integruar të ujit. Pjesë thelbësore e kësaj sistemi total të integruar të menaxhimit të ujit është dhe nënsektori i furnizimit me ujë dhe largimit të urave të ndotur. Në kuadër të reformës territoriale administrative lind nevoja për riorganizimin e këtij sektori dhe të nevojës për një performancë sa më të mirë të sektorit. Ministria e Transportit dhe Infrastrukturas së bashku me Ministrinë e Shtetit për Çështjet Vendore, ndërmorën nismën për hartimin e një projekt vendimi "Për Riorganizimin e Operatorëve që Ofrojnë Shërbimin e Furnizimit me Ujë të Pijshëm, Grumbullimin, Largimin dhe Trajtimin e Ujërave të Ndodura", i cili u miratua nga Këshilli i Ministrave të Republikës së Shqipërisë më datë 27. Janar 2016 [lexo më shumë](#)

About the Water Supply and Sewerage Association of Albania

The Water Supply and Sewerage Association of Albania (SHUKALB), which was established in 2000, is a professional, not-for-profit Association of water supply and sewerage professionals, who wish to improve the management of the Water Supply and Sewerage Sector in Albania, making it efficient, sustainable and effective in accordance with the current laws and regulations in Albania.

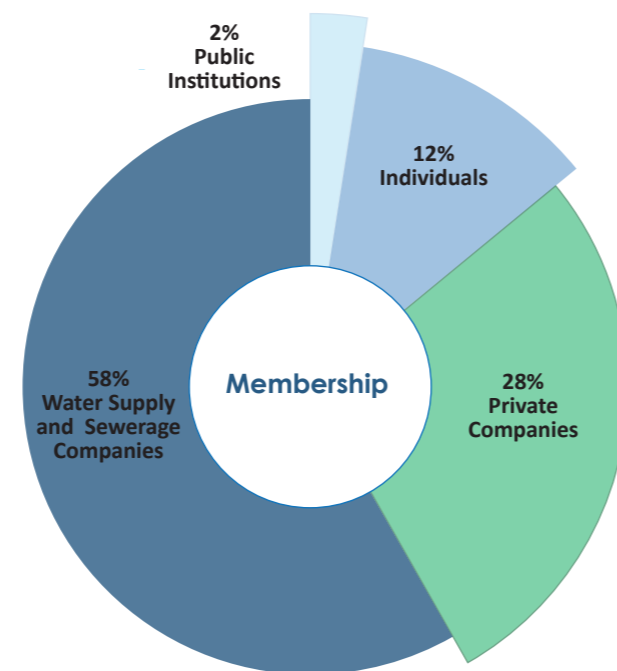

In line with its mission to represent the collective interests of professionals in the water sector in Albania, SHUKALB encourages a broad participation in its membership. Any individual, organization, institution or company that has an interest in contributing to the progress of the water supply and sewerage sector in Albania is welcome to apply for membership.

Membership Structure

SHUKALB has four membership categories to include Water Supply and Sewerage Companies, Private Companies, Public Institutions and Individuals who may be senior and young professionals as well as students. Through the years, SHUKALB's main membership category of Water Supply and Sewerage Companies has increased. Today, SHUKALB's members under this category provide water supply and sewerage services to over 75% of the whole population of Albania.

In 2008, SHUKALB revised its statute to offer membership to private companies as well. Another member in the category of institutions is the Faculty of Civil Engineering (Polytechnic University of Tirana).

In addition, students and young professionals under 35 years old who become members of SHUKALB, become part of SHUKALB's Young Water Professionals group.

Membership Fees

Membership to SHUKALB is annual and fee structures differ based on the membership category.

All members who are current in the payment of their annual membership dues are considered part of the General Assembly of SHUKALB, and are also eligible to be elected to serve on the Association's Board of Directors, and vote on official actions of SHUKALB.
