## About SHUKALB

The Water Supply and Sewerage Association of Albania (SHUKALB), which was established in 2000, is a professional, not-for-profit Association of water supply and sewerage professionals, who wish to improve the

After two years of organizing virtual conferences, SHUKALB and SHUKOS are pleased to invite you to join us **in person** at our 10<sup>th</sup> Balkans Joint Conference and Exhibition to be held on **8-9-10 November 2022, in Prishtina, Kosovo.**

The Conference Theme, **Groundwater – Making the Invisible Visible**, is inspired by World Water Day 2022, and brings attention to the importance of protecting the quality and quantity of our underground resources. The topic is of particular importance for countries like Western Balkans, which rely heavily on groundwater for their water supply needs. [read more](#)

## What's New at SHUKALB

### SHUKALB Prepares and Delivers Successfully Workshop on “Management of Wastewater in the Context of a Circular Economy”

During 18-19 July 2022, SHUKALB and Global Water Partnership-Mediterranean (GWP-Med) successfully organized the 2-day workshop on “Wastewater Management in the Context of the Circular Economy”. The workshop was prepared and delivered by SHUKALB in the framework of the SEE NEXUS Project, financed by the Austrian Development Agency (ADA) and implemented by GWP-Med in partnership with UNECE. The workshop was greeted in the opening by Arduen Karagjozi, Director of Strategic Management, the Water Resources Management Agency, and Tassos Krommydas, Senior Program Officer, GWP-Med.[read more](#)
